EXHIBITORS AND THEIR COMMENTS

THE NO. 1 IN RUSSIA

- **NEFTEGAZ** is the leading trade fair for the oil and gas industry in Russia and one of the top ten oil and gas fairs in the world.
- Full market coverage including subsectors of oil and gas industry
- Rich program of supporting events such as the **National Oil and Gas Forum**
- Benefit from the competence and experience of **Messe Düsseldorf**, organizer of No.1 trade fairs such as Tube and Valve World and related shows all over the world
- **NEFTEGAZ** takes place at Expocentre Fairgrounds – the most recognized and centrally located venue in Moscow.

“The trade fair organisation level is very high. This year our company took a larger stand; hence, we notice that the number of visitors and contacts has grown. We have been participating in the trade fair for many years and we know that this participation furthers business development and acquisition of new partners. For this reason, we will unhesitantly answer: next year we will definitely come to Neftegaz 2020!”

Victor Mintyukov
Leading Specialist
KSR KUEBLER RUS, LLC

“Neftegaz is Russia’s biggest image-building trade fair wherein many of our suppliers, customers and clients take part, and meetings with them are an essential part of the company and the entire business development.”

Marat Amirov
Manager
Kanex KROHNE Anlagen Export GmbH

“This is our first time to NEFTEGAZ, the visitor amount of the show is unexpected, everyday there are many visitors around our booth, and we hope could have further cooperation with our Russian partner.”

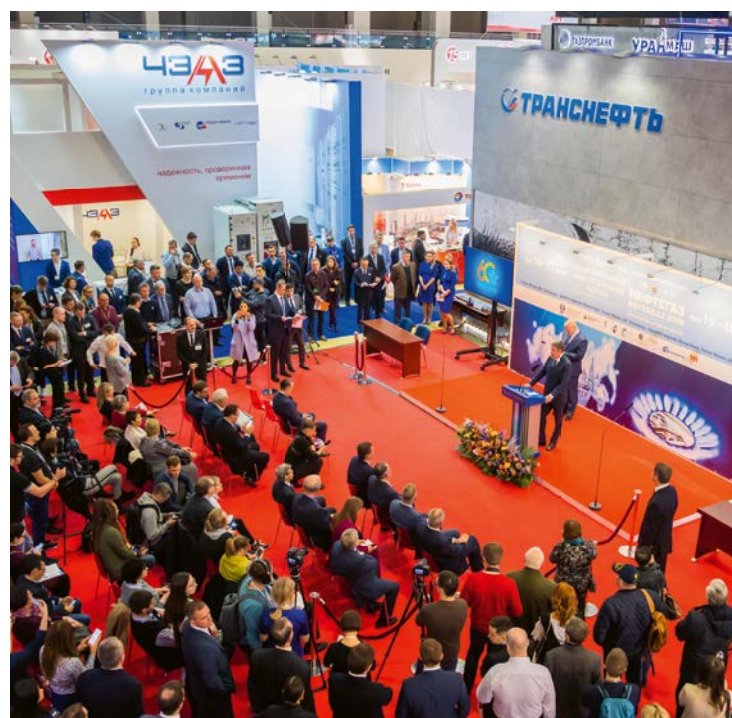

Xianfeng Ning
Sales Manager of Shandong
Rongye Machinery Co.,Ltd

“Our company participates in the NEFTEGAZ exhibition for the second year as part of the German Pavilion, and for the second year we are pleased with the result. I am glad that the exhibition is still not only an important image event, but also attracts many technical specialists, design engineers, for whom it is important to learn about new products and technologies. We managed to meet both our long-time partners and meet new potential customers. We are already planning to participate in the NEFTEGAZ 2020.”
