Experience the world of watersports. Right now.

At past events, Messe Düsseldorf has already demonstrated that it is possible to enjoy live trade fairs again. The successfully implemented hygiene concept ensures maximum safety for visitors, exhibitors and employees.

Enjoy the panoramic watersports experience and 9 fascinating days at boot Düsseldorf: current trends, fascinating boat premières, hobbies new and old, dream holidays for the whole family and amazing offers for bargain hunters.

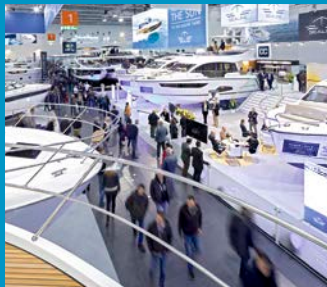

On, over and under the water.
Whether you're a sailor, diver or motorboat driver, boot Düsseldorf is sure to delight any watersports fan.

Live your dream. With HP or wind in your sails.

Whether your craft runs on gasoline, is fully electric or you float with wind power - anyone looking for an adrenaline high or adventure should drop anchor in Düsseldorf. In seven motorboat and three sailing halls, you'll find everything to be enthusiastic about boats - from dinghies to luxury yacht.

Take a **Power Walk** through **Halls 1-9** and discover all of the crafts that are sure to make every motorboat fan's heart beat faster. You can also find the right accessories for every class of boat close at hand in **Halls 9-11**.
