2021

Gain in-depth insights

For pure added value in a well-structured package, visit the world of electromedicine, medical technology, or technology and medical furniture. And use our Meeting Point to make new contacts and showcase your innovations.

What motivates manufacturers, practitioners, and patients? And where is the journey going? At MEDICA 2022, we find answers to these and other questions – together and by looking at the issues from every angle.

Imaging and diagnostics/medical equipment and devices at a glance:

- Diagnostics
- Imaging supplies
- Surgery devices, endoscopy devices
- Therapy and physical medicine
- Implants and prostheses
- Intensive medicine/anesthesiology/respiration
- Emergency medicine, rescue equipment
- Operating technology and operating equipment
- Hospital equipment, care equipment
- Hygiene/sterilisation/disinfection

Winning expertise

Join us as international experts discuss technology, science, regulation, top trends, and policy issues surrounding medical technology.
