# Exhibitors ACCOLADES

**Steve Ford,**  
Managing Director,  
Océ – Asia,  
Production Printing Products,  
Canon Singapore Pte Ltd

- “ Southeast Asia is one of our biggest markets specifically Thailand, this is why we chose to launch our premier machine, the Océ Colorado 1650 here in Bangkok at PACK PRINT INTERNATIONAL 2019. The show has been really well-attended and a lot of people have been at our booth. We have also signed on several new customers for the Océ Colorado 1650. Great success has been achieved so there is no reason for us not to be back in 2021. ”

**Masahiko Tsuda,**  
Managing Director,  
OKI Data (Singapore)  
Pte Ltd

- “ This is one of the largest packaging and printing exhibitions in the region and has a very strong international following. We have been able to meet with quality customers from Philippines, Myanmar and the surrounding region – for that, we have met our participation objectives. ”

**Chaweewan Poomtien,**  
General Manager,  
Huber Inks (Thailand)

- “ Southeast Asia is a big and strong market and international companies need to be here. PACK PRINT INTERNATIONAL is the right international exhibition that can link us up with many relevant customers in the region. ”

**Jochen Bender,**  
Managing Director,  
Heidelberg Graphics  
(Thailand) Ltd

- “ This is our 5th time participating and we have seen the exhibition evolve over the years – which is why we made the decision to launch our sheetfed offset press Speedmaster CX 75 at the exhibition. All the machines at the booth have been sold which is a great success for us. ”

**Suparat Chotikultanachai,**  
Country Manager,  
HP Indigo and Paperwide Web  
Press Solutions, Thailand,  
HP Inc (Thailand) Ltd

- “ PACK PRINT INTERNATIONAL is well known in the Thai market and one of the biggest one of its kind here. It attracts a wide audience and that is why we have chosen to invest in the exhibition by bringing our latest innovations here. ”

“ Big exhibitions like **PACK PRINT INTERNATIONAL** contribute substantially to the packaging industry as it provides a platform for two-way communication between the consumers and the exhibitors. Both audiences can now come together, see each other and through that, expand product offerings in line with customers’ requirements. It also allows the gathering of academic people from universities, research institutes who can lend their technical knowledge in developing solutions that would better serve the needs of the packaging industry. I am particularly pleased that the Asian Packaging Seminar has been very well-received by over 200 international participants, even those coming from as far as Italy and Germany. ”

*Dr Pattra Maneesin, Secretary General, Asian Packaging Federation*
