Together MEDICA and COMPAMED remain the world's leading platforms for exploring cutting-edge medical technology, all its related issues, pioneering innovations and developments.

Dive into the latest research

LAB & DIAGNOSTICS

Today's challenges are more complex than ever before. What is key to current and future laboratory technology? And how do we make diagnoses even more precise?

At MEDICA 2023, exhibitors showcase everything from innovative analysis equipment to high-speed centrifuges.

MED TECH & DEVICES

For added value in a well-structured set-up, visit the world of electromedicine, medical technology and medical furniture. And use our Meeting Point to make new contacts and showcase your innovations.

At MEDICA 2023, we find answers to questions – together and by looking at the issues from every angle.
