 **IGEDO
EXHIBITIONS**

INTRODUCTION

TRADE SHOWS

Certified sustainable brands only.

- All brands undergo a sustainability and style check.
- All labels must provide concrete information on ecological (materials & climate neutrality) and social (working conditions & wages) aspects of their sustainability.
- Transparency/traceability - verifiable for 100% of the issued goods to the first stage (manufacture, cut make trim).
- Information must be provided by certificates as well as stakeholder - programmes or Code-of-Conducts.
- Information on the CO2 and water footprint, on supply and value chains as well as information on resource efficiency and innovative product cycles are also requested.

Neonyt APPROVED!

Only collections that meet the specified requirements and have successfully passed the sustainability check are allowed to exhibit at the Trade Show.

With this in mind, we would like to ask you to complete the following questionnaire and give us as much details as possible. If you have any questions, Lavinia Muth, the sustainability expert at Igedo Exhibitions, will get in touch with you.

*(To be completed by Igedo Exhibitions)

- I have already completed the Sustainability Questionnaire for my collection for the kick-off of Neonyt Düsseldorf licensed by Messe Frankfurt Exhibition GmbH organized by Igedo Exhibitions in January 2023. For the upcoming participation in July 2023, there will be no changes regarding sustainability. I have taken note that the sustainability expert commissioned by Igedo Exhibitions for the sustainability check may contact me with further questions, as the questionnaire for July 2023 is more detailed.

All questions refer to the collection you want to exhibit at **Neonyt Düsseldorf** licensed by Messe Frankfurt Exhibition GmbH.
