PACPROCESS MEA 2024: REVOLUTIONIZING INDUSTRIES GLOBALLY

pacprocess MEA, a proud member of the interpack alliance, is the 5th International Exhibition for Processing & Packaging in the Middle East and Africa, hosted by Messe Düsseldorf. This globally recognized trade fair has become a vital hub, connecting international traders and vendors with their counterparts from Egypt, the Middle East, and Africa.

Taking place from **3 to 5 December 2024**, at the Egypt International Exhibition Center in Cairo, pacprocess MEA is set to be a pivotal event for industry leaders. It unites professionals from diverse sectors, offering a

platform to learn, engage, and showcase the latest products, technologies, equipment, and innovations in processing, packaging, and printing across food, beverages, confectionery, bakery, pharmaceuticals, cosmetics, nonfood, and industrial goods.

This three-day event features an innovative format, seamlessly blending product exhibitions, networking sessions, and curated buyer-supplier matchmaking.

Join us at pacprocess MEA 2024 as we pave the way for transformative advancements and collaborative opportunities in the processing, packaging, and printing industries.

CONCURRENT EVENT

FoodAfrica ^{Cairo} 

Over the past 8 years, **Food Africa, The International Trade Exhibition for Food & Beverages**, has solidified its standing as a premier event for professionals in the food and beverages sector. This dynamic platform has been instrumental in unveiling the immense business potential of not only Egypt but the entire African continent and the MENA region.

The event will offer delectable business opportunities to wholesalers, distributors, and retailers from around the world, enticing them with the rich tapestry of the Egyptian market and the demanding landscape of Africa's food and beverages sector.

For the fifth consecutive year, Food Africa and pacprocess Middle East Africa trade fairs run concurrently, providing a comprehensive platform to showcase the latest products, services, and solutions essential for the rapidly expanding F&B, processing, and packaging sectors in Egypt and the broader region.

The two exhibitions complement each other seamlessly, with the food industry standing as the primary beneficiary of processing and packaging technology and products.

SPECIALIZED CONFERENCE

pacprocess MEA 2024 will feature a specialized conference that brings together international industry experts to explore numerous packaging and processing related topics. It provides attendees with unique insights into new market trends and demands in Egypt, Africa, and the world.

HOSTED BUYERS PROGRAM

The Hosted Buyers Program will assist exhibitors in networking with trade buyers and decision makers from around the world by suggesting relevant contacts to meet. The program allows signing agreements on the spot.
