something
big...**

Dubai: A city of records

Dubai is the right place for a trade fair like OS+H Middle East. The ever-growing metropolis is a city of records:

- + 3rd most visited city in the world
- + 2nd largest airport in the world by passenger volume
- + 11th largest port by container throughput

And Dubai is worth more than one visit, thanks to its outstanding offerings:

- + State-of-the-art trade fair venues
- + One of the world's most modern metropolises
- + Openness, internationality and a western character

Come to Dubai

Come to a new trade fair at exactly the right place for business. A commercial mega-hub, bustling with activity and a region with big plans for the future. The biggest plans.

OS+H Middle East is your place to be when it comes to Occupational Safety and Health on the Arabian Peninsula – and all countries near this international hotspot.

From industrial companies to safety professionals, from distributors to government authorities and consultants – this is the place for you. Meet new business partners, find growth potentials, see groundbreaking innovations live and talk the talk. In a perfect surrounding.

**OS+H Middle East is waiting for you.
And the future, too.**
