CAPTURE THE GROWING SOUTHEAST ASIA MARKET

MEDICAL FAIR ASIA and **MEDICAL MANUFACTURING ASIA** are leading trade exhibitions for the medical and MedTech sectors in Asia. With Southeast Asia's healthcare market expected to reach **US\$20.10 billion by 2030*** both shows offer a strategic gateway for companies looking to expand their market presence, connect with qualified buyers, and tap into cross-border growth opportunities.

Together, they cover the full MedTech value chain - from manufacturing automation, materials, and components, to diagnostics, hospital equipment, and digital health. The combined platform draws a wide spectrum of stakeholders including OEMs, procurement professionals, healthcare providers, and distributors.
