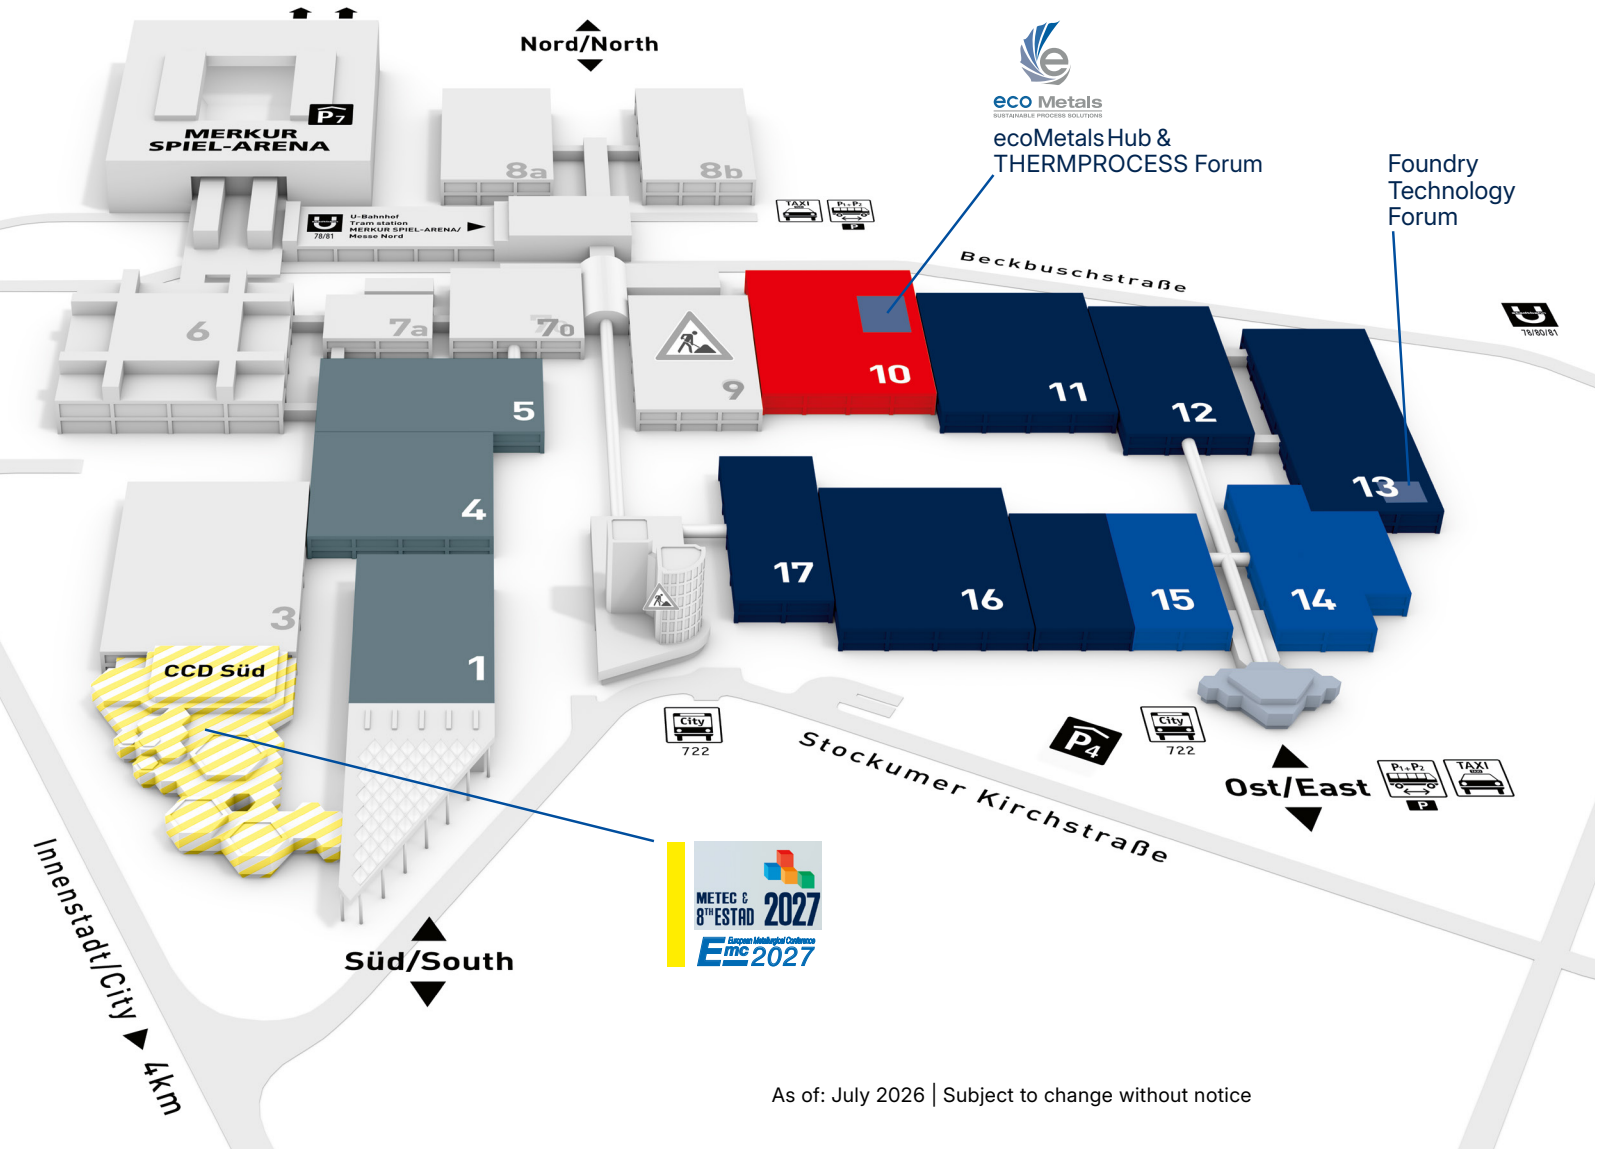
The Bright World of Metals 2027

21–25 June / Düsseldorf / Germany

GIFA METEC THERM PROCESS NEWCAST

EXPLORE THE POWER OF FOUR.

Halls 11–13 15–17	Halls 1 + 4 + 5	Hall 10	Halls 14 + 15



As of: July 2026 | Subject to change without notice

GIFA 2027

Hall 11
Foundry machines and foundry plants, Melting shop

Hall 12
Die casting and peripheral equipment, Measurement and test technology

Hall 13
Chemical materials for foundries, Gating and feeding, Pattern and die making, Digitalisation/IT

Hall 15
Metallic charge materials, Additive manufacturing

Hall 16
Foundry machines and foundry plants, Moulding and core making, Finishing and surface treatment

Hall 17
Foundry machines and foundry plants, Transportation and storage

METEC 2027

Hall 1
Plants and process engineering

Hall 4
Plants and process engineering, Semi-finished products, Products and Producers

Hall 5
Technology, Components, Services

THERMPROCESS 2027

Hall 10
Industrial furnaces, Industrial heat treatment, Plants and thermal processes

NEWCAST 2027

Halls 14 + 15
Ferrous castings, Non-ferrous metal castings, Sinter products

Messe Düsseldorf
